DR138 003.04.10

CERTIFICATE III IN AGED CARE

CHC30208

COURSE DESCRIPTION:

This certificate runs for 12 weeks and covers a range of topics including OH&S, dementia and palliative care. The course includes 80 hours of work experience. Graduates of this course will find work in the aged care sector

COURSE DURATION

DURATION: 12 weeks

INTAKE DATES: Feb, April, July and October

WHY CHOOSE THIS COURSE:

The course provides you with a holistic approach to caring for the older people within the community. It is designed to equip you to provide physical and social support to elderly individuals and people with a psychological disability in hostels, group homes and community settings. In this course students will develop a strong practical focus in aged care and will be taught the basic skills and competencies required to enter and work in the aged care sector. There is a vocational placement component to this certificate which will allow the students to use the skills and knowledge learnt in the classroom in a work environment, giving students practical hands on experience in the aged care industry.

ENTRY REQUIREMENTS:

Students must be 15 years and over. International students do not require a student visa for this course; however a minimum IELTS 5.0 or equivalent is required.
